

COVID-19:

May 11, 2021

IMPORTANT UPDATE:

With the number of COVID-19 cases continuing to be so high and double-digit cases in the Eastern Zone, **St. Joseph's Credit Union has made the decision to keep their doors closed to the public. We will continue to reassess daily based on the information we receive from the Province.** Members will be required to use the ATM for deposits and withdrawals and members who do not have access to online banking for payment of bills can continue to call the branch. **Staff will be on site, Monday-Friday from 9:00am-4:00pm. We will continue to provide loan and investment services, and should such be required, a staff member will be in touch to explain the process.**

Business Deposits will continue to be processed through the night depository and cash floats must be called in and a time will be arranged for pick up.

The following phone lines are available to assist you:

- 902-226-2288
- 902-226-2297
- 902-226-2029
- 902-226-9786

We are into some very trying times; fear and anxiety are justifiable. We must work together to put an end to this third wave. Please do your part. Stay home and stay safe!!

We are all in this together. Stay safe!
